What a lovely first week we had. The children have all settled really well and the staff are enjoying getting to know the children. We have loved looking through the All About Me books so please do bring yours in if you haven't already. On Wednesday the children helped to make the playdoh. This helps with counting & measuring skills, gross & fine motor development as well as turn taking and listening skills. On Thursday we enjoyed colour mixing with paints, using the artist pallets to mix our own colours. We are getting used to the snack bar in the mornings. Children choose when to come to the snack table, have a go at buttering, putting away their cups & plates. We have even had some special helpers with children helping to set up the snack bar and wipe the table.

Please ensure that all items brought into Pre School are clearly named or labelled

Many Thanks
