Last week we enjoyed baking bread. The children enjoyed taking turns to mix and knead the dough-great for gross motor skills. And the smell was delicious! Other activities the children enjoyed was decorating leaves which we hung from our apple trees, some junk modelling, making chocolate crispy cakes, and exploring different textures of flour, oil and cornflour!

The children also enjoyed making their own playdoh. We added mint extract to it and the children enjoyed using their senses to smell it and feel it while it was still warm!

Extra Sessions

If you are interested in anymore extra sessions we have a few spaces available on a Thursday - Please email the office if you are interested.

Tesco Bag Packing

We will be in Tesco Dereham bag packing on the 2nd November 10am—2pm. We would love for the children to come along and help. This will help to raise money for our Garden Fund. A rota is on the notice board in the hallway to add your names to.

Thank you to all the parents who came along to our meeting last Wednesday. It was lovely to see you all and get a chance to talk to you. We will be sending a letter home to all parents about the changes we are making in Mighty Oaks and we would love to hear any feedback.

This week we are hoping to have a visit from a tortoise! We would like to offer the children the opportunity to do some more junk modelling so would appreciate any boxes, kitchen rolls etc.

Please could you ensure that all grapes are cut up in lunchboxes.

If you have any donations of costume jewellery it would be much appreciated.

Please could you just put water in water bottles that are in the room. Juice is welcome in their lunchboxes.
