

7th Oct 2019

Next week is our first stay & play afternoon. Our children would like it if parent/grandparents or family members could come and have some fun with us. We hope to have some Autumnal craft activities on offer. So if you go on any walks this week please look out for any nice coloured leaves or other natural items and bring them into us. Thanks.

Tesco Bag Packing
10.00am - 2.00pm

Last week was a busy week, with lots of baking and 2 visits to the school ampitheatre. The children enjoyed the visits, using the time to collect natural objects, hunt for mini beasts, roll down the hill and a quick visit to the train! The children have also been busy making and taking part in assault courses which they designed themselves. Although this can sometimes result in the odd small injury, we feel the benefits outweigh this. Children learn to risk assess, think and plan, test out ideas as well as gain confidence, resilience and improve gross motor skills. We ended the week by planting the start of our herb garden. We hope this will enable lots of sensory play through adding it to playdoh or using it for potions.

Please ensure that all items brought into Pre School are clearly named or labelled. This includes clothing, lunch boxes and water bottles. We have marker pens in Pre School if you would like to borrow them
Many Thanks

If anyone has a spare cake tin they no longer need we would appreciate it. We would also welcome small glass jars for a Christmas Art Project.

Tesco Bag Packing

We will be in Tesco Dereham bag packing on the 2nd November 10am—2pm. Thank you to everyone that has signed up but please can we have a few more volunteers. This will help to raise money to improve our outside area. Rota can be found on the notice board.

We are focusing on our social skills at the moment. This week we hope to share some stories about feelings and being kind to each other. We are also spending time modelling correct language and behaviour for sorting out problems such as sharing toys, turn taking and using our kind hands. We hope you will support us with this as it is a skill that can sometimes takes a while for young children to master.

Please note that from the 1st October our school uniform is available to order from Birds of Dereham.
